### STAND\*

\*The Stand is a supernatural power unique to the manga series JoJo's Bizarre Adventure. It is an entity physically generated by its proprietor - generally referred to as a "Stand User". It is viewed as a physical manifestation of an individual's innate "fighting spirit" and embodies, to an extent, the individual's psyche.

YATAGARASU...?\*

\* In Japanese mythology, this flying creature is a raven or a jungle crow called "Yatagarasu" (eight-span crow) - a crow-god which is a symbol of guidance and is also considered to be a mark of rebirth and rejuvenation. The appearance of this great bird is construed as evidence of the will of Heaven or divine intervention in human affairs.
